

We are pleased to announce to our Sutton Place Synagogue Family, "**Seders to Go**" catered by Ira Zahler from IZ Events, who has catered SPS's annual seder for the past 24 years. Given the CDC restrictions on gatherings and the importance of social distancing, we have made the difficult but necessary decision to cancel the SPS Community Wide Passover seder. This Seder to Go will be available for pick-up and limited delivery on Tuesday, April 7.

Seders can be purchased in a package for 4 people or individually in increments for 1, 2 or 3 people. Below you will find the menu for each option. Please reach out if you have any questions to Hunter Gold at hgold@spsnyc.org.
